

Compiled from the latest information to 1938

Shores and distances within one mile have been omitted from the chart for each island on a chart of larger scale.

Natural Scale 1:21,922,882 at Lat 0°

WAR CRUISE OF USS LOVELACE DE 198

UNION OF SOVIET SOCIALIST REPUBLICS

CHINA

UNITED STATES

NOTE
Distances in this chart are in accordance with the WGS 84 datum of measurement unless indicated by the U.S. Coast and Geodetic Survey. Minor differences, such as the location of isobars and magnetic marks, and the interchange of "m" and "n" are not here noted, unless accompanied by major changes.
